

NEW NOT-FOR-PROFIT CERTIFICATE PROGRAMS NOW OFFERED BY FORDHAM UNIVERSITY SPCS

New Bookkeeping and Financial Management Certificate Programs -- Just for Not-for-Profits!

All bookkeeping and reporting is not alike.

Learn the specific benefits and reporting requirements unique to not-for-profit organizations. If you manage the finances for your nonprofit, you cannot afford to miss these specially-designed certificate programs. Whether you are new to not-for-profit bookkeeping and reporting or want to hone your skills in this niche area, Fordham can help you become more accurate, knowledgeable and conversant in the financial requirements and activities that affect most not-for-profits in New York State.

**Certificate in Not-for-Profit
Bookkeeping and Reporting**

**Certificate in Not-for-Profit
Financial Management and
Reporting**

This comprehensive **three-course** certificate program covers a wide array of concepts and principles unique to maintaining the books and records of a typical NFP organization.

You'll learn how to develop a budget, set up books using QuickBooks, donor and grant reporting, payroll, how to prepare financial statements and how to comply with the new NY State Nonprofit Revitalization Act.

Manhattan Campus

Starts Sept. 13

Enroll Today

Ideal for NFP **management, board members, accountants, lenders and stakeholders**, this one-course program covers a wide range of financial and regulatory concepts that are specific to not-for-profits. Learn the unique terminology, how to apply for tax exemption, and understand Form 990. Gain specific background knowledge for presenting to board of trustee members, donors and regulatory agencies and take advantage of tax benefits that apply to your organization.
